

Instructions for using your new Rack Jack! Please read and follow the instructions provided here for safe and trouble free operation of this product. Failure to do so may result in serious injury or damage!

1. Always insert a receiver hitch pin to secure the Rack Jack into the receiver (Figure 1)!
2. **NEVER** exceed the 300# maximum weight limit!
3. **NEVER** operate your vehicle with Rack Jack attached!
4. **ALWAYS** keep this product out of the reach of children!
5. **ALWAYS** engage the ratchet lock when lifting game! (Figure 2)
6. Use caution to avoid the pinch points (arrows in Fig. 3) when attaching the top (boom) assembly to the vertical (lower column) piece!
7. Move your animal slowly and carefully when loading—excessive swinging or bouncing can cause excessive loading on the product!
